

## Advanced Training in Clinical Investigation

*REMINDER: Applications due April 17th*

The Clinical Research Training Center (CRTC) is accepting applications for the MTPCI and MSCI programs!

### Postdoctoral Mentored Training Program in Clinical Investigation (MTPCI)

- 17 credit hour training program
- Typically takes 2-3 years to complete
- Tuition discount
- 50-60% protected time required
- US citizen or permanent residency required
- Can add credits and complete MSCI degree!

### Masters of Science in Clinical Investigation (MSCI)

- Pursue alone or pair with the MTPCI
- 33 credit hour master's degree
- 1 to 5 years to complete
- No protected time or citizenship requirements
- Entrepreneurial Thesis Option Available!
  - Gain a better understanding of entrepreneurship in clinical and translational sciences through coursework and working with experienced mentors.
  - See attached for more details.

**Application due by April 17, 2018.**

Programs are eligible for the Washington University Faculty/Staff [Tuition Benefit!](#)
