

## [KL2 Career Development Awards](#)

### 2018 Application Cycle Information

The Institute of Clinical and Translational Sciences Clinical Research Training Center (CRTC) is currently seeking applications for the KL2 Career Development Award Program, aimed at incoming or current junior faculty interested in clinical and translational research. This program provides financial support and infrastructure allowing scholars protected time to perform research and engage in formal didactic instruction.

**Who Should Apply:** Current or Incoming Junior Faculty

### **Program Benefits:**

- 75% Salary Support (up to \$75,000 per year)
- \$25,000 per year in Research Funds
- Tuition for Graduate-Level Coursework
- Mentored Training in Clinical and Translational Research

### **Eligibility Requirements:**

- Doctoral degree
- Conducting translational or clinical research
- US citizen, non-citizen national or permanent resident
- Ability to devote 75% professional effort (50% for surgical specialties and interventionists) for a minimum of two years

**The 2018 Application Cycle is Open April 15 to August 1, 2018.**
