

## SPORE in Leukemia Career Enhancement Awards Request for Applications

**Application Deadline:** August 31, 2018

**Start Date:** July 1, 2019

**Amount:** Up to \$70,000 for one year

**Eligibility:** Junior faculty (Instructor or Assistant Professor) without RO1 or equivalent grant or senior post-doctoral fellows (PhD, MD, or MD-PhD) who have a written commitment from their department chair indicating promotion to Instructor or Assistant Professor by the time of the award also will be eligible.

**Purpose:** The goal is to recruit and support new independent investigators in the field of translational leukemia research.

Applications may be obtained by contacting the Administrative Coordinator listed below.

Additional information about the SPORE is available on our website at <https://siteman.wustl.edu/research/spore-in-leukemia/>.

Brittni Black, Administrative Coordinator, [brittniblack@wustl.edu](mailto:brittniblack@wustl.edu)
