

DeNardo Education and Research Foundation Grant Program

Two candidates from Washington University will move forward.

Agency: DeNardo Education and Research Foundation

Mechanism: DeNardo Education and Research Foundation Grant Program

Overview: The purpose of the DeNardo Education and Research Foundation is to support education and research in the health sciences, broadly defined, with preference for activities that relate to the field of medicine. Washington University has been invited to submit two proposals for funding to be utilized in 2019 and 2020. The purpose of this announcement is to invite proposals for cancer research projects, especially relating to novel therapy and imaging, for funding of up to \$100,000 over a two-year period.

Eligibility: Washington University faculty may submit a proposal for the internal review and selection process.

Amount: A total of approximately \$100,000 distributed over two years.

Internal Deadline: February 11, 2019

Previous Washington University Awardees:

- Jeffrey Arbeit
- Koong-Nah Chung
- Samuel Achilefu
