

Specialized Programs of Research Excellence (SPORE) in Leukemia - Request for Applications

SPORE in Leukemia-Developmental Research Awards

Application Deadline: **May 1, 2019**

Start Date: July 1, 2019

Up to \$70,000 for one year

DEVELOPMENTAL RESEARCH PROGRAM

Eligibility: All faculty members (instructor level or higher) are eligible. In addition, senior post-doctoral fellows who have a written commitment from their department chair indicating promotion to Instructor or Assistant Professor by the time of the award will be eligible. Preference will be given to junior faculty or established investigators with a new translational leukemia research focus.

Purpose: The goal is to support innovative translational leukemia research. Proposed projects will be reviewed with the intent that they will develop sufficiently, within one-two years, to be submitted for external peer-reviewed funding. For projects with a clinical trial, they must be ready for study activation within six months of award.

Applications and additional information may be obtained by contacting the Administrative Coordinator, Brittini Cannella, brittniblack@wustl.edu, or 314-273-2607, or by going to the [SPORE in Leukemia website](#).
