

WASHINGTON UNIVERSITY PEDIATRICS

PEDIATRIC SPECIALTY CARE NOW AVAILABLE IN SOUTH COUNTY

We know how to care for kids.

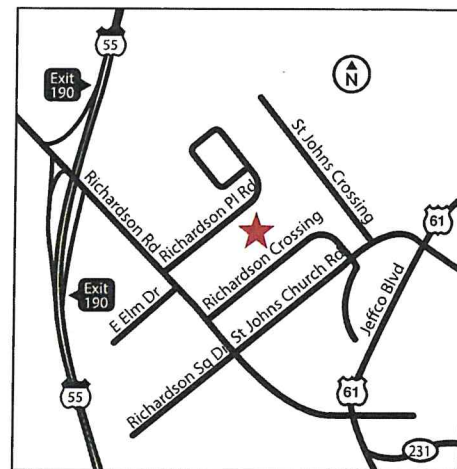

Washington University pediatric specialists are now providing outpatient care to patients in the Jefferson County and South St. Louis County areas. Washington University physicians, nationally recognized for their pediatric care, are focused exclusively on kids and teens in an environment just for them. Our patient care teams are compassionate and committed to providing excellent care and support for our patients and families.

The following specialties are available at the new multispecialty center:

- Allergy/Pulmonology
- Cardiology
- Endocrinology
- Gastroenterology
- Infectious Diseases - *Coming Soon*
- Nephrology
- Neurology - *Coming Soon*

Conveniently located off of I-55 at Richardson Road:

Washington University Pediatric Specialists
148 Richardson Crossing
