

DIGESTIVE DISEASES RESEARCH CORE CENTER (DDRCC) PILOT & FEASIBILITY AWARDS: CALL FOR APPLICATIONS 2020-2021 Cycle

QUALIFICATIONS:

Full time faculty and current senior post-doctoral fellows with a faculty appointment effective as of July 1, 2019 at Washington University, including:

1. Junior investigators without independent grant support (excluding career development awards) seeking to establish independence in this field of research;
2. Investigators with independent grant support (past or present) who have not been involved in digestive diseases-related research wishing to enter this field;
3. Investigators with independent grant support who have previously worked in this field but wish to pursue a new research direction.

AWARD DETAILS:

Awards of up to \$30,000 in DIRECT COSTS, per year, for one to two years (latter based on competitive renewal).

GRANT SUBMISSION DEADLINE:

Application Due Date: Friday, January 31, 2020, 5:00PM

Funding Period: May 1, 2020 - April 30, 2021

Email completed application files to pfddrcc@dom.wustl.edu.

LETTER OF INTENT:

We recommend sending a letter of intent electronically to Dr. Mills that includes the following information:

- Descriptive title of proposed activity
- Name, department and contact of PI
- Short, 1-2 paragraph, description of scope of project and how it relates to digestive disease research

Letters should be sent to jmills@wustl.edu by January 15, 2020.

Questions? Please contact:

Jason Mills, M.D., Ph.D.

Professor of Medicine, Developmental Biology, Pathology and Immunology

Director, DDRCC Pilot and Feasibility Program

Phone: 314-362-4213

E-mail: jmills@wustl.edu
