

Becker Medical Library Workshops

Becker Medical Library is offering the following Zoom sessions intended for investigators or research support staff.

Click the name of the session below to register (required). A Zoom link will be provided prior to the session to all who register.

[NCBI Tools: My Bibliography](#)

Thursday, June 3, 2021

12 - 12:45 p.m.

This session will cover using My Bibliography to maintain a list of citations for NIH Public Access Policy compliance and for the NIH Biosketch.

[NIH Biosketch and NCBI SciENcv](#)

Wednesday, June 9, 2021

12 - 12:45 p.m.

Are you preparing a grant application for NIH? Do you want to learn more about SciENcv? This session will review the instructions for creating a biosketch in the NIH format and include a review of NCBI SciENcv, a tool to generate a biosketch.

[NIH and Other Public Access Policies](#)

Thursday, June 17, 2021

12 - 12:45 p.m.

This session will provide an overview of the NIH Public Access Policy including the steps involved with compliance.
