

RESEARCH NEWS

 Washington University in St. Louis

Dear Scholars,

Summer 2021 registration is now underway for the Master of Science in Clinical Investigation courses offered through the Clinical Research Training Center (CRTC). This summer we are excited to be offering **M17 553: Bench Fundamentals for Translational Research** to scholars outside of our training programs.

Please see the [Bench Fundamentals for Translational Research \(M17-553\) flyer](#) for details on this course.

If you are interested in enrolling, please complete the [Clinical Investigation Open Enrollment Registration Form](#) and e-mail it to k.kreienkamp@wustl.edu no later than **Friday, June 4th**.
