

NIH Salary Cap for Federal Fiscal Year 2018

The NIH has increased the Salary Cap to \$189,600 (Executive Level II). This new cap rate has an effective date of January 7, 2018, and it applies to competing and non-competing awards. The full text can be found in the NIH notice [NOT-OD-18-137](#).

Effective 5/1/2018, the NIH salary cap edits in HRMS will be updated to apply the new \$189,600 (Level II) rate.

Sponsored Projects Accounting (SPA) has revised the NIH Salary Cap Policies and Procedures, see link below to the attached file. The revisions are noted in blue text. This document will be available on the [SPA website](#).
